

What is Scrip?

Scrip is gift cards from local and national retailers. They are the same as gift cards you would buy at the store.

When you purchase scrip, you are purchasing gift cards that you use like any other gift card.

Our organization purchases the scrip gift cards, resell them to families like yours for full face value, and we receive from 2 to 25 percent for selling these cards.

Anyone can purchase and use these. You do not have to have a child enrolled in St. Peter's School.

Tuition Reduction

The percentage of earning we make from the gift cards you purchase can be split 50/50. Which means your 50% of earnings can go towards a St. Peter's Student of your choice tuition.

Tuition reimbursements will be twice a year in November and February.

(ex. \$500 purchase at 5% = \$25.00 earnings of which school gets \$12.50 and St. Peter's Student of your choosing would get \$12.50 towards their tuition.)
