2026-2027 Tuition Schedule

The total cost of educating a child at St. Peter's School last year was over \$9,800. Tuition helps pay a portion of the total cost. Scrip can be a useful way to help with tuition payments. Tuition assistance is available for those who qualify.

TUITION ASSISTANCE

The School of St. Peter realizes that there are situations in which tuition costs become a financial hardship for some families. In order to receive a scholarship, you must fill out the above application form. These forms will then be reviewed by the Tuition Assistance Committee (Pastor, Administrator and Administrative Assistant). Scholarships will be awarded based upon a pre-set family income guideline and the amount of scholarship funds available. There will be no 100% scholarships granted as we feel it is important for families to pay a part of their child(ren)'s tuition costs.
